All dreams have died along the way
I coughed up the price, I bought a cage

Don't know when I died or where to lay down

Chorus

Gone, gone away
Yeah, gone, gone away

Verse 2

God knows I've tried, I'm dyed in pain
Strong yet simple drive, the freedom to say

I ve had a hell of a time since I went away
Homing on traces of light, that distance fades

(Repeat Chorus)

So they say with time we slowly heal
I caught a flash of your smile throught the fog of a dream

Now you re gone...gone away
Yeah you re gone...gone away
