

I Feel Like Hank Williams Tonight
Jerry Jeff Walker

[Verse 1]

Well, I could live my whole life, without a phone call
The likes of which I got today.
It was only my wife, said hello then goodbye.
And told me she s going away.
Well I didn t cry, It was all cut and dried.
I hung up before I realized.
Turned up my stereo, I walked to the window,
Stared at the storm clouds outside.

[Chorus]

And I play classical music when it rains,
I play country when I am in pain.
But I won t play Beethoven, the mood s just not right
Oh, I feel like Hank Williams tonight.

[Interlude 1]

[Verse 2]

There s no explanation, not even a reason,
No talk of the good times we had.
Was it me, was it her, I don t know for sure,
And that s why I m feeling so bad.
