

**Pissing In The Wind**  
**Jerry Jeff Walker**

(Chorus)

**C** **G**  
Pissin in the wind, bettin on a losing friend

**D** **C** **D**  
Makin the same mistakes, we swear we ll never make again

**C** **G**  
Pissin in the wind, but it s blowing on all our friends

**D** **C** **G**  
We re gonna sit and grin and tell our grandchildren

**D**  
About the time I called this guy - it was four in the morning

**C** **G** **C D G C D G**  
Teach me the words to the song I was humming - mm hm hmm, mm hm hmm

**D** **C** **G**  
He just laughed and he said that the ole grey cat is sneakin down the hall

**D** **C** **D**  
But all he wants to know is who in the hell is paying for his call

(Chorus)

How this Nunn called me up, it was eight in the morning  
Wanted to know how in the world am I doin , mm hm hmm, mm hm hmm  
He just laughed and he said get it together boy, and fall on by the house  
Some Gonzo buddies would like to play anything you re picking now

(Chorus)

Now we worked and we suffered and struggled  
Makin our record till we got it right  
Now we re waiting on the check to come sneaking down the hall  
like that old time feeling  
That we never should have ever put the record out at all

(Chorus)

**C** **D** **G** **Em**  
That the answer my friend is just pissin in the wind

**C** **D** **G**

The answer is pissin in the sink
