

All The Good Is Gone
Jerry Lee Lewis

C F
It was only yesterday that I noticed a sudden change
C G7 F C
Even tonight when you touched me everything seems strange
F
I've been worried for a long time that something might go wrong
G7
Oh it's happening I know it's happening
F G7 C
All the good is gone

F G7
All the good is gone from the love we shared together
F D7 G7
All the tenderness has disappeared from your loving heart
C F
And now I'll start looking for another to take your place
C G7 F C
And when each time I hold her and feel her warm embrace

F
Warm memories of our good times when I loved you for so long
G7 F G7 C
I remember yes I remember all the good is gone
G7 F G7 C
Yes I remember all the good is gone
