I got to have an answer right away

C

Am I to be the one

G

Am I to be the one that wins your heart

I'm feeling like a leaf hanging on a vine

C

And it's about to make me lose my mind

Now if I am the one baby you would choose

C

Then let me run around and spread the news

You got me so upset it's a hard to sleep

C

I'm sitting down at dinner but I still can't eat

G

Can hardly knot my tie or lace my shoes

C

G

Now if I'm in a race will I win or lose

I'm pleading and I'm begging like a natural man

C

If you can't help me baby no one can

G

I know how much I care and you do to

C

G

But I can't say a word till I hear from you
