

Earth Up Above
Jerry Lee Lewis

C **F**
From the Houston Astrodome to the blue skies over Rome
C **A7** **D7** **G7**
And in Paris with its towers so tall
C **F**
There s a moon up above shared by everyone in love
C **G7** **C**
Winter springtime in the summer and fall

G7 **F** **C**
And down the road to old Peru down in old Australia too
F **D7** **G7**
Men and women everywhere are fallin in love
C **F** **D7**
You ll find that everyplace love strikes the human race
C **G7** **C**
They all share the same ol moon up above

F **A#7**
We look far ahead with that old moon we hold stead
D# **C** **G7**
And the people livin there fallin love
C **F** **D7**
You ll find that everyplace love strikes the human race
C **G7** **C**
They all share the same ol moon up above

G7 **C**
They all share the same ol moon up above
