

**Fools Like Me**  
**Jerry Lee Lewis**

**C** **G7**  
Everybody tells me love is blind  
**C**  
Maybe so cause I refuse to see  
**F**  
Everybody tells me things you do  
**C** **G7** **C**  
But I don't care cause I'm a fool for you  
**F** **C**  
It doesn't really matter what you are  
**G7**  
It only matters what you are to me  
**C** **F**  
Maybe I'm not wise enough to see  
**C** **G7** **C**  
But where would love be without fools like me  
**G7**  
Maybe loving you is not so smart  
**C**  
Cause maybe in the end you'll break my heart  
**F**  
I really shouldn't love you but I do  
**C** **G7** **C**  
And I can't stop cause I'm a fool for you  
**F** **C**  
I only hope this kind of love is real  
**G7**  
Cause I can't ever change the way I feel  
**C** **F**  
Maybe baby I'm not wise enough to see  
**C** **G7** **C**  
But where would love be without fools like me
