

I'll Find It Where I Can

Jerry Lee Lewis

G It s just another wasted morning **C**

While I m holding up the wall **G**

Too much tequila makes me wonder **C**

Why I m heading home at all **G**

G7 Get that honky tonk feeling **C**

Every time your arms grow cold **G**

I suppose that s the reason **C**

I need a home away from home **G**

F So I ll say one more time

And I hope you ll understand **G**

If I can t find it in your arms babe **C**

I m gonna find it where I can **G**

C I can t refuse them lonely women

Lord I know just how they feel **G**

So I ll just keep pretending **C**

What you been giving me is real **G**
