That s why I m feeling blue  
**G7** **C**  
I m feeling sorry I lied to you  
**F**  
I took your little heart I tore it all apart  
**C**  
And now I m missing you  
**G7** **C** **C7**  
I m feeling sorry I couldn t be true

**F** **C**  
I should ve known better I should have been truer  
**D7** **G7**  
I know that you re blue but baby I m bluer  
**C** **F**  
Now I got a little heart that s broke all apart  
**C**  
And now I m wanting you

**F**  
I put a tear or two in your eyes of blue  
**C**  
I wasted your true love  
**G7** **C**  
And now I m sorry just a fool in love  
**F**  
You were the one for me but I felt fancy free  
**C**  
That s why I m hurting so  
**G7** **C** **C7**  
I m feeling sorry I didn t know

**F** **C**  
You offerred me true love but I didn t take it  
**D7** **G7**  
One way that you forgive me but I ll never make it  
**C** **F**  
I hope to find a way baby to make you stay  
**C**  
But I know I ll never win
