

Lewis Boogie
Jerry Lee Lewis

This is a real Rock&Roll song. I play it this way in my band, and I always get applause, so.. i)

```
-----0--2-----|
-----2-----|      X4
---3-----|
-----|
```

```
-----2--5--7-----|
---3-----|      X2
-----|
-----|
```

```
-----0--2-----|
-----2-----|      X2
---3-----|
-----|
```

```
--0--4--7--9-----|
-----|      X1
-----|
-----|
```

```
-----2--5--7-----|
---3-----|      X1
-----|
-----|
```

```
-----0--2-----|
-----2-----|      X2
---3-----|
-----|
```

And then you start from the beginning.
Have fun.
