

Please Dont Talk About Me When Im Gone

Jerry Lee Lewis

**C**                                **E7**                                **A7**  
Please don t talk about me when I m gone

**D7**                                **G7**                                **C**    **G7**  
Honey though our friendship ceases from now on

**C**                                **E7**                                **A7**  
And if you can t say anything real nice

**D7**                                **G7**                                **C**  
It s better not to talk at all is my advice

**E7**  
We re parting you go your way I ll go mine

**A7**                                **D7**  
Perhaps it s best that we do here s a little kiss

**G7**                **D7**                **G7**  
I hope that this brings lots of luck to you

**C**                                **E7**                                **D7**  
Makes no difference how Jerry carries on but I ll make it baby

**G7**                                **C**  
Please don t talk about me when I m gone
