Try To Remember chords

Harvey Schmidt (lyrics by Tom Jones from the 1960 musical Fantasticks, Jerry Orbach singing version original off Broadway production of The Fantasticks 1962)

**G Am 2x**

**G Em Am D7**

Try to remember, the kind of September,

**G Em Am D7**

when life was slow and oh, so mellow.

**G Em Am D7**

Try to remember, the kind of September,

**G Em Am D7**

when grass was green and grain was yellow.

**Bm Em Am D7**

Try to remember, the kind of September,

**G Em Am D7**

when you were a tender and callow fellow.

**G Em Am D7**

Try to remember, and if you remember,

**G**

then follow.

**G Em Am D7**

Try to remember, when life was so tender,

**G Em Am D7**

that no one wept, except the willow.

**G Em Am D7**

Try to remember, when life was so tender,

**G Em Am D7**

that dreams were kept, beside your pillow.

**Bm Em Am D7**

Try to remember, when life was so tender,

**G Em Am D7**

that love was an ember, about to billow.

**G Em Am D7**

Try to remember, and if you remember,

**G**

then follow.

**G**            **Em**            **Am**            **D7**  
 Deep in December, it s nice to remember,  
**G**            **Em**            **Am**            **D7**  
 although you know, the snow will follow.  
**G**            **Em**            **Am**            **D7**  
 Deep in December, it s nice to remember,  
**G**            **Em**            **Am**            **D7**  
 without a hurt, the heart is hollow.  
**Bm**            **Em**            **Am**            **D7**  
 Deep in December, it s nice to remember,  
**G**            **Em**            **Am**            **D7**  
 the fire of September, that made us mellow.  
**G**            **Em**            **Am**            **D7**  
 Deep in December, our hearts should remember,  
**G**            **Em**            **G**            **Em**            **G**  
 and follow, follow, follow, follow, follow . . .
