Jes Hudak - Another Day

Dm **F**
Waiting, fading
C **Bb**
Falling from my life
Dm **F**
You ll leave me, don t need me
C **Bb**
How will I survive?

Dm **C** **Bb**
But I don t need anything
 F **C** **Dm**
Cos I ve got my dream
 C **Bb** **C**
And I believe there is nothing we can t be

F **C** **Dm**
There s so much more to this life
 C **F**
Sometimes it takes some time to get it right
 C **Dm**
But I will not give up the fight
 C **F**
Oh, won t you come along, right by my side?

C
And you will live
 Dm **C** **Bb**
In the light that my love has to give
Gm **C**
No one can take that away
 Dm **C**
And so we live to see another day

Another day
Bb **Dm** **C** **Bb**
You know you ll live to see another day

Reach out, and find out
you re not alone
The spirit, don t fear it
Let it bring you home

And you will see that all you need
Has all been a dream
And I believe there is nothing you can t be

There s so much more to this life
Sometimes it takes some time to get it right
But I will not give up the fight
Oh, won t you come along right by my side

And you will live
in the light that my love has to give
No one can take that away
