

My Love (Acoustic)

Jess Glynne

G

There s nothing more that I would have

Bm

That I could need

Em

D

Cause happiness means that I got it all

G

When I was taking turns

Bm

And you were wrong for me

Em

D

You chose to understand and let it go

G

And ohh

Bm

You ve turn this black heart

Em

And made it into gold

D

D/F#

So I wanna let you know that

G A Bm

My love and my touch

Em D D/F#

Up above, is made with the one from mine

G A Bm

My love and my touch

Em D D/F#

Up above, is made with the one from mine

G

Love

Control is such an open ended word for me
It s something that I use to think I owned
I m standing here with nothing
And feeling so complete
You helped me understand and let it go

(pre chorus)

(chorus)

Stay close to me
Ohh
Stay close to me

Love, stay close to me
Love

(chorus)
