

You Can Find Me
Jess Glynne

Intro **E**

Hey, yeah x4

Verse

E

Thinking about those nursery rhyming days
When it was all just fun and games

A

Never had a care in the world
When it all began to change

E

Go back to the Merry-go-round
Laughing and acting like clowns

A

Stay in this moment til
We see the sun go down

Pre-Chorus

E

A

I treasure your heart of gold

F#m

I ll be your shadow when you feel alone

A

Cause nothing changes when I m on the road
To find your happy gotta lose control

E

F#m

If the time between us gets a little uneven

A

F#m

Don t you worry cause you will find me here

E

F#m

Never broke a promise, Never been dishonest

A

F#m E

Don t you worry cause you will find me here

A

You can find me, find me

E

You can find me, find me

A

You can find me, find me

E

You can find me, find me

Hey, yeah x4

verse 2

E

Feeling like I ve been misunderstood

Like I heard she s gone to Hollywood

A

Couldn t be more wrong if you tried

Think you should take a hard look

E

It s not hard if you try

A

Try to see, through my eyes

Pre-Chorus

E

A

I treasure your heart of gold

F#m

I ll be your shadow when you feel alone

A

Cause nothing changes when I m on the road

To find your happy gotta lose control

E

F#m

If the time between us gets a little uneven

A

F#m

Don t you worry cause you will find me here

E

F#m

Never broke a promise, Never been dishonest

A

F#m E

Don t you worry cause you will find me here

A

You can find me, find me

E

You can find me, find me

A

You can find me, find me

E

You can find me, find me
