Intro: A/C# D E F#m A/C# D E A

Verse 1

A/C# D E F#m
I want to sing a song thats never been heard
A/C# D E A
I want to write the emotion when I cant find the words
A/C# D E F#m
But there is nothing I could say, I could sing
A/C# D E F#m
To give an adequate description of my glorious King
A/C# D E A
For you are indescribable and thats why we sing

Chorus

E A D
Hallelujah to the Great I AM
E A D
All that is, all that has ever been
E A E F#m
All consuming love that never ends
A/C# D E F#m
So let us come, let us worship the Lamb
A/C# D E A
Let us come, let us worship the Lamb

Verse 2

For every thought in the intelligent mind
For every brilliant invention that history provides
There is nothing I could form, I could bring
That could be added to the splendor of my glorious King
For you are unchangeable and thats why we sing

All I am,
E A D
at my best I am merely a breath

All I am,
E A D D
at my best I am merely a breath for You
