CAPO 1

Intro:

G, D, Am, C

So this is it
The final curtain call
My time here is over
I wish it was for good
This is goodbye
The final wave of hand
I wish I had the nerve
To say that I m never coming back
It was a fight
I cried myself to sleep
For so many nights, I can t believe
That I ve grown to be a boy
With nothing to my name
Except a guitar and no one else to blame

But I hope you know I try
Hope you know I try, to become a better man
I hope you know I never meant to hurt you
Never meant to make you cry
I hope you know I try

D **C**
