GET TOGETHER- Jesse Colin Young

**F**  
Love is but a song we sing  
**Eb**  
Fear s the way we die  
**F**  
You can make the mountains ring  
**Eb**  
Or make the angels cry  
**F**  
Though the bird is on the wind  
**Eb**  
You may not know why

CHORUS:

**Bb** **C**  
Come on people now, smile on your brother  
**F**  
Everybody get together  
**Bb** **C** **F**  
Try to love one another right now

Some may come and some may go  
You will surely pass  
When the one who left us here  
Returns for us at last  
We are but a moment s sunlight  
Fading in the grass...CHORUS

If you hear the song we sing  
You will understand  
You hold to key to love and fear  
All in your trembling hand  
Just one key unlocks them both  
It s there at your command ...CHORUS TWICE

Try to love one another right now  
Try to love one another right now
