Let it all fall down on me

## Easier Jesse LaBelle Name: Mel Email: beautifulwings-@hotmail.com This is a really easy song. Corrections are welcome if necessary. :) Capo 1 (or whatever suits your voice) Standard Tuning - EBDGAe Chords used: G Em C Am F Intro -G Em My beautiful love I m sorry Em You can t find your way My beautiful love I ll tell you Everything s okay Am When you need a room to settle in And nobody wants to let you in When all your doubts are wondering Am About the life you re living in Chorus: Em Let it all come down on me I only wanna make it easier Em

I only wanna make it easier
G Em
<b>G</b> My beautiful love don t say it
Em Give yourself some time, ohh
<b>G</b> My beautiful one don t tell me
Em You might never shine
<pre>C When all of your fears are coming true</pre>
Am And nobody s looking out for you
C The things that you never wanted to
Am Are starting to get the best of you
Chorus: G Em C
Let it all come down on me
I only wanna make it easier
Em C  Let it all fall down on me I only wanna make it easier
Am When I was lost
С
Was thrown and tossed  Am
You came around, ohh
Am You knew all along F
You took what was wrong <b>G</b>
And turned it around

Low Chorus: (strum twice each chord) Em C Let it all come down on me I only wanna make it easier Em Let it all come down on me I only wanna make it easier Chorus: Em So let it all come down on me I only wanna make it easier G Em Let it all come on down me I only wanna make it easier G Let me try Em Let me try Let me try G Let me try Em Make it easier Em To make it easier

G Em G
