And looking back it s always been the same

E B F# B  
But I refused to see it all for what it was

Has anybody ever felt this way

F#  
Has anybody been ripped apart

Anybody give everything to the one they love

E B  
Am I the only one left behind

I was the one who gave up everything for her  
When no one would listen I heard every word, oh

It took me so long to see that maybe I am better off alone

God I know this can t go on

All I wanna do is just move on

God I know this can t go on forever

Yeah I know this won t go on forever

God I know this can t go on forever.
