I'll Try
Jesse McCartney

Bbm
I am not a child now
F#
I can take care of myself
Bbm
I mustn t let them down now
F#   **Eb**
Mustn t let them see me cry
                F#   **C#**
 Cause I m fine, I m fine

Bbm
I m too tired to listen
F#
I m too old to believe
Bbm
All these childish stories
F#   **Eb**
There is no such thing as faith
        F#   **C#**
And trust and pixie dust

     G#
I try
              F#
But it s so hard to believe
    Bbm
I try
              Eb
But I can t see what you see
     F#   **F#m**   **C#**
I try, I try, I try...

Bbm
My whole world is changing
F#
I don t know where to turn
Bbm
I can t leave you waiting
F#   **Eb**   **F#**
But I can t stay and watch this city burn
            C#
Watch it burn

              G#
 Cause I try
                  F#

```
But it s so hard to believe
   Bbm
I try
              Eb
But I can t see what you see
   F#     F#m
I try, I try?

   Bbm                F#
I try and try to understand
      G#             Bbm
The distance in between
                        F#
The love I feel and the things I fear
      F#m
And every single dream

Bbm
I can finally see it
F#
Now I have to believe
Bbm
All those precious stories
F#
All the world is made of...
   Eb         F#                 C#
Faith, and trust... and pixie dust

         G#
So, I ll try
            F#
Because I finally believe
     Bbm              Eb
I ll try, cos I can see what you see
      F#         F#m
I ll try, I ll try
       Bbm    G#  F#  F#m
I ll try...
    C#
To fly
```
