| It s best we don t even talk at all             |             |

Don t call me even if I should cross your mind  
Hard enough I don t need to hear your voice on my messages  
Let s just call it quits it s probably better  
So if I m not returning your calls it s cause

Cause I m not comin back I m closing the door  
I used to be trippin over missin you but I m not anymore  
I got the picture phone but baby your picture s gone  
Couldn t stand to see your smile every time you dialed

Cause it s over  
Girl you know it s over this time  
So when you call I m pressin seven  
Don t wanna hear your messages messages

I m tryna erase you from my mind  
Cause it s over  
I swear girl it s over this time  
So don t keep callin leavin messages  
Don t wanna know where you been  
Baby cause it s over

I still wake up every morning quarter to ten  
I still eat my cereal right at the kitchen table  
I can t even remember how long it s been  
No trouble stayin occupied

Oh I ask about you whenever I come around  
I do what I can not to put my business in the streets  
Last thing I need s another episode  
Keep conversation short and sweet because

Cause I m not comin back I m closing the door  
I used to be trippin over missin you but I m not anymore  
I got the picture phone baby your picture s gone  
Couldn t stand to see your smile every time you dialed

Cause it s over  
Girl you know it s over this time  
So when you call I m pressin seven  
Don t wanna hear your messages messages  
I m tryna erase you from my mind  
Cause baby it s over  
I swear girl it s over this time  
So don t keep callin leavin messages  
Don t wanna know where you been  
Baby cause it s over

You know that it s over when the burnin  
And the yearnin inside your heart ain t there anymore  
And you know that you re through when she don t do to you  
And move you like the way she moved ya before

And you wanna pull her close  
But your heart has froze  
You kiss her but her eyes don t close  
Then she goes out of your heart forever  
And it hurts you but you know that it s better

Girl you know it s over  
Girl you know it s over this time  
So when you call I m pressin seven  
Don t wanna hear your messages messages

I m tryna erase you from my mind  
Cause it s over  
I swear girl it s over this time  
So don t keep callin leavin messages  
Don t wanna know where you been  
Baby cause it s over  
Cause it s over  
Girl you know it s over this time  
So when you call I m pressin seven  
Don t wanna hear your messages messages  
I m tryna erase you from my mind  
Cause it s over  
I swear girl it s over this time  
So don t keep callin leavin messages  
Don t wanna know where you been  
Baby cause it s over
