G#	F#
We ve run out of words we ve run out of time	
C#m	Bsus
We ve run out of reasons really why we together	
G#	F#
We both know it s over baby bottom line	
C#m	Bsus
It s best we don t even talk at all	

Don t call me even if I should cross your mind
Hard enough I don t need to hear your voice on my messages
Let s just call it quits it s probably better
So if I m not returning your calls it s cause

Cause I m not comin back I m closing the door
I used to be trippin over missin you but I m not anymore
I got the picture phone but baby your picture s gone
Couldn t stand to see your smile every time you dialed

Cause it s over
Girl you know it s over this time
So when you call I m pressin seven
Don t wanna hear your messages messages

I m tryna erase you from my mind
Cause it s over
I swear girl it s over this time
So don t keep callin leavin messages
Don t wanna know where you been
Baby cause it s over

I still wake up every morning quarter to ten
I still eat my cereal right at the kitchen table
I can t even remember how long it s been
No trouble stayin occupied

Oh I ask about you whenever I come around
I do what I can not to put my business in the streets
Last thing I need s another episode
Keep conversation short and sweet because

Cause I m not comin back I m closing the door
I used to be trippin over missin you but I m not anymore
I got the picture phone baby your picture s gone
Couldn t stand to see your smile every time you dialed

Cause it s over
Girl you know it s over this time
So when you call I m pressin seven
Don t wanna hear your messages messages
I m tryna erase you from my mind
Cause baby it s over
I swear girl it s over this time
So don t keep callin leavin messages
Don t wanna know where you been
Baby cause it s over

You know that it s over when the burnin
And the yearnin inside your heart ain t there anymore
And you know that you re through when she don t do to you
And move you like the way she moved ya before

And you wanna pull her close
But your heart has froze
You kiss her but her eyes don t close
Then she goes out of your heart forever
And it hurts you but you know that it s better

Girl you know it s over
Girl you know it s over this time
So when you call I m pressin seven
Don t wanna hear your messages messages

I m tryna erase you from my mind
Cause it s over
I swear girl it s over this time
So don t keep callin leavin messages
Don t wanna know where you been
Baby cause it s over
Cause it s over
Girl you know it s over this time
So when you call I m pressin seven
Don t wanna hear your messages messages
I m tryna erase you from my mind
Cause it s over
I swear girl it s over this time
So don t keep callin leavin messages
Don t wanna know where you been
Baby cause it s over
