Yeah that would be my first mistake

C#m E F#

Yeah I...I ve been lied to

A B C#m E

Your eyes are ice cold blue

F#m A B A B

A mirror of the heart inside of youoooo

A

You can t walk back in my life

B

You had your chance to be by my side

A

B

I don t have to hear you cry to know

Refrão:

C#m A

Just go

E

B

I gave you my word and I promised to love you

C#m A

Go, it s over

E B

You had your chance

C#m A

Just go

E

B

A

There s nothing inside me that still feels connected to you

E

B

To me you re already gone

C#m E F#

I got a new love now

A B C#m E F# A

She s my new love now

C#m E

And she loves me so

F# A B

Takes me where you never took me

C#m E F# A

Although you tried too

B

C#

E

Her eyes they read so true

F# **A** **B** **A** **B**

So different from the way it was with yooooou

A

I don't need you in my life

B

Forgot what it's like to be satisfied

A

B

I don't wanna hear you cry cause I know

Refrão:

Takin' a look at these photographs

Fightin' my tears I try to relax

Cause you came and you left and it all went by so fast

Refrão 2x:

I got a new love now

C#m **E**

I trusted you

F#

A

And that would be my first mistake.
