

Told You So
Jesse McCartney

Intro 3x: **F G Am C F G C/E C**

Verso 1:

F **G**
Looking at you now I can tell

Am
That you and your new

relationship ain't going well

F
There's no reason your name

G
should come up on my cell

C/E
Unless you're unhappy but

that shouldn't be the case

F
Cause you said

G
said he was the one

Am
Baby yes you said

said you were in love

F
Cause when you left me

G
you said that you wouldn't be

C/E
Coming back remember

that but I never agreed

Refrão:

F **G**
I hate to say it but I told you so

Am
Told you if you left that

C
you were gonna be miserable

F
Guess he don't do it like

G
me or else you wouldn't be

C/E
Running back to the past

C

it was you that left me

F

I hate to say it but

G

you know I m right

Am

Everytime you re up be

C

calling for me late at night

F

But now that you ain t got me

G

tell me where you going be

C/E

Cause I can t take you back

C

no my heart won t let me

(**F G Am C**)

Verso 2:

F

Girl you know he can t

G

touch like I do

Am

I don t see you tripping or

C

flipping over his moves

F

Don t take a genius to

G

see he ain t that dude

C/E

But you let him back you

don t know what you was on

F

But when you said

G

said he was the one

Am

Baby yes you said

said you were in love

F

Cause when you left me

G

you said that you wouldn t be

C/E

Coming back remember

that but I never agreed

(Refrão)

Ponte:

F
You fall on hard
C
times it seems
Am
But you ain t getting
G
no sympathy
F **C**
No baby not from me
Am
Cause I told you you
C
should never leave
F
See you chose this road so
Dm
you gotta go it alone
F **G G#**
Remember I told you so

Refrão 2:

F# **Ab**
I hate to say it but I told you so
Bbm
Told you if you left that
C#
you were gonna be miserable
F#
Guess he don t do it like
Ab
me or else you wouldn t be
C#/F
Running back to the past
C#
it was you that left me
F#
I hate to say it but
Ab
you know I m right
Bbm
Everytime you re up be
C#
calling for me late at night
F#
But now that you ain t got me
Ab
tell me where you going be

C#/F

Cause I can t take you back

C#

no my heart won t let me
