

What would she say

**G**

I wonder would she just turn away

**Am**

Or would she promise me

**G**

That she s here to stay

**Am**

It hurts me to wait

**G D**

I keep asking myself

(In a higher tone)

**D**

Why don t you kiss her

**G**

Why don t you tell her

**D**

Why don t you let her see

**A**

The feelings that you hide

**Am**

Cuz she ll never know

**G D**

If you never show

**D Dm**

The way u feel inside

(Chorus)
