

We Can

Jesse Ruben

CAPO 1

(C)

A lot of people doubted me, they laughed in my face

(Am)

Said there ain't no way I would finish that race

(F) (C) (G)

But I kept my head down and laced up my shoes

(C)

I ran a marathon when no one thought I could

(Am)

I didn't always want to but I said that I would

(F) (C) (G)

And I learned a lot about what I can do

(F) (C) (G)

It doesn't matter if they don't believe

(F) (C) (G)

It doesn't matter if they do not understand

(F) (C) (G) (F) (G) (C)

Because every dream I'm trying to achieve, I can, I can, I can (x2)

So make a list and do not make it brief

Write down every single wish and every little thing

That you want, don't sell yourself short

Don't ever hesitate if people turn you down

Do not settle, do not wait, don't ever turn around

Because you're almost there, I swear, I swear it's yours

And all that matters is there's no regrets

It doesn't matter if they do not understand

Because everything you want you haven't gotten yet, you can, you can, you can

(x2)

Right now on this planet there are things that we can fix

There are people going hungry, a lot of them are kids

And it's so unfair, they're scared and all alone

Wars are being fought over land and over God

And we need a different plan, 'cause I think that we forgot

That we're all the same, we're just love and blood and bones

It doesn't matter if they think we're wrong

It doesn't matter if they do not understand

Because every obstacle we need to overcome, we can, we can, we can
