D G D
I think I see, a wagon rutted road

With the weeds growing tall between the tracks

And along one side, runs a rusty barbed wire fence

And beyond that sits an old tar paper shack

G
Mississippi you re on my mind
D
Mississippi you re on my mind
D A G D
Oh, Mississippi you re on my mind

I think I hear, a noisy old John Deere

In a field specked with dirty cotton lint

And there you ll find the cool green leaves of mint

The southern sun just blazes in the sky

In the dusty weeds an old fat grasshopper jumps
 A **D**
I want to make it to that creek before I fry
