**G D A7 D**

**D**

Oh my, but you have a pretty face,

**G**

**D**

you favor I girl that I knew

**G**

**D**

I imagine that she s back in Tennessee,

**A**

**D**

and by God, I should be there too;

**A7**

**D**

I ve a sadness too sad to be true

**D**

But I left Tennessee in a hurry dear,

**G**

**D**

in same way that I m leaving you

**G**

**D**

Because love is mainly just memories, you see,

**A**

**D**

and everyone s got him a few;

**A7**

**D**

so when I m gone I ll be glad to love you

**G**

**D**

At the Brand New Tennessee Waltz,

**A**

you re literally waltzing on air

**G**

**D**

At the Brand New Tennessee Waltz,

**A7**

**D**

there s no telling who will be there

**D**

When I leave it will be like I found you love,

**G**

**D**

descending Victorian stairs

**G**

**D**

And I m feeling like one of your old photographs, girl,

**A**

**D**

where I m trapped while I m putting on airs;

**A7**

**D**

so I ll get even by saying who cares?

          **G**                          **D**  
Who s feeling like leaving another town,  
          **A**                          **D**  
but with no place to go if he did;  
                          **A7**                          **D**
