Standard Tuning Guitar no capo

Intro **F C Bb F**

**F** **C** **Bb**  
I don't know how or where to start

**DM** **C** **F**  
Here we're standing again

**F** **C** **Bb**  
And I see now from where we are

**Dm** **C** **Bb**  
That our road has come to an end

**C** **F**  
Though we've come this far

**Bb**  
I don't know why

**C** **F**  
But I still can't see who you are

Chorus:

**F** **C**  
I don't want you to cry

**Bb**  
Don't want us to say goodbye

**DM** **C** **F**  
But I know that we're falling apart

**F** **C**  
I don't need your lies

**Bb**  
And if you don't sympathize

**Dm** **C** **F**  
Tell me how will I know who you are

Now you can figure out the rest yourself !

It's too late but now  
we've gone this far  
To see what's here within  
Though we said that we'd never part  
Baby I've been trying too hard  
To believe in love  
I don't know why  
But I still can't see who you are

Chorus:

Don't worry I promise  
it's for the better  
So I think we should let it go now  
And maybe we ll find love again
