

How Will I Know  
Jessica Folker

CAPO 2

**G**                    **D**  
I don t know how  
    **Cadd9**  
Or where to start  
    **Em**                    **D**                    **G**  
Here we re standing again  
    **D**  
And I see now  
    **Cadd9**  
From where we are  
    **Em**                    **D**                    **G**  
That our road has come to an end  
    **D**                    **Cadd9**  
Though we ve come this far  
  
I don t know why  
    **Em**                    **D**                    **G**  
But I still can t see who you are  
  
Chorus:  
  
    **D**  
I don t want you to cry  
    **Cadd9**  
Don t want us to say goodbye  
    **Em**                    **D**                    **G**  
But I know that we re falling apart  
    **D**  
I don t need your lies  
    **Cadd9**  
And if you don t sympathise  
    **Em**                    **D**                    **G**  
Tell me how will I know who you are  
  
**G**                    **D**  
It s too late now  
    **Cadd9**  
We ve gone this far  
    **Em**                    **D**                    **G**  
To see what s hidden within  
    **D**                    **Cadd9**  
Though we said that we d never part  
    **Em**                    **D**                    **G**

Maybe I've been trying too hard

**D Cadd9**

To believe in love

I don't know why

**Em D G**

But I still can't see who you are

Chorus:

I don't want you to cry

**Cadd9**

Don't want us to say goodbye

**Em D G**

But I know that we're falling apart

**D**

I don't need your lies

**Cadd9**

And if you don't sympathise

**Em D G**

Tell me how will I know who you are

Bridge:

**Em**

Don't worry

**G**

I promise

**D Cadd9**

It's for the better

**Em G Cadd9**

So, I think we should let it go now

**D G**

And maybe we'll find love again

Chorus (repeat)
