

How Will I Know  
Jessica Folker

CAPO 2

**F#**                    **C#**  
I don t know how  
    **Badd9**  
Or where to start  
    **Ebm**                **C#**            **F#**  
Here we re standing again  
    **C#**  
And I see now  
    **Badd9**  
From where we are  
    **Ebm**                **C#**            **F#**  
That our road has come to an end  
    **C#**                **Badd9**  
Though we ve come this far  
  
I don t know why  
    **Ebm**                **C#**            **F#**  
But I still can t see who you are  
  
Chorus:  
  
                          **C#**  
I don t want you to cry  
                          **Badd9**  
Don t want us to say goodbye  
    **Ebm**                **C#**            **F#**  
But I know that we re falling apart  
                          **C#**  
I don t need your lies  
                          **Badd9**  
And if you don t sympathise  
    **Ebm**                **C#**            **F#**  
Tell me how will I know who you are  
  
**F#**                    **C#**  
It s too late now  
    **Badd9**  
We ve gone this far  
    **Ebm**                **C#**            **F#**  
To see what s hidden within  
                          **C#**                **Badd9**  
Though we said that we d never part  
    **Ebm**                **C#**            **F#**

Maybe I've been trying too hard

**C#            Badd9**

To believe in love

I don't know why

**Ebm                    C#                    F#**

But I still can't see who you are

Chorus:

I don't want you to cry

**Badd9**

Don't want us to say goodbye

**Ebm                    C#                    F#**

But I know that we're falling apart

**C#**

I don't need your lies

**Badd9**

And if you don't sympathise

**Ebm                    C#                    F#**

Tell me how will I know who you are

Bridge:

**Ebm**

Don't worry

**F#**

I promise

**C#                    Badd9**

It's for the better

**Ebm                                    F#                    Badd9**

So, I think we should let it go now

**C#                    F#**

And maybe we'll find love again

Chorus (repeat)
