G Am C G

G

I remember the wind blowing in your face

Am

How our hearts would beat at the same pace

C

Holding hands and breathing slow

G

Smiling and pretending not to know

G

I remember the sun shining on my face

Am

When I saw that smile my heart would race

C

It was a dream from which I couldn't wake

D

Until the day I felt my heart break

G

D

We were young and so in love

Am

C

I fell so deep there was no way back up

G

D

When you took and broke my heart

C

I found myself right back at the start

G Am C x2

G
I remember riding around in your car
Am
You made me feel like a movie star
C
Glitter so shiny you kind of had to squint
D
I swear you held a sign that said dreams for rent

G
I fell hook line and sinker for those silly lines
Am
Iâ€™ve had to ask myself a hundred million times
C
Was the dream worth the price that I paid
D
The answerâ€™s always the same Iâ€™m afraid

G D
We were young and so in love
Am C
When I fell it took some time to get back up
G D
But I was yours and baby you were mine
C
And Iâ€™d do it the same if I could turn back time
