Oh, there s a whole lot more to this life than you

Maybe you re thinking I ll be around
Every night when that sun goes down
And that you know just what to say to keep me here
But I ve heard it all before
Em
And I don t wanna hear it anymore
          G
Cause I m good with changing
It s time to turn the page and
Finally give in to what I always knew
That I m done living
With all that you re not giving
F#m
Cause baby I know the truth
Oh, there s a whole lot more to this life than you
             \mathbf{Bm}
 Soon you ll see
             Em
 What you ve done to me
 Has only let me know
 I ll be better on my own
        G
And I m done living
With all that you re not giving
Cause baby I know the truth
Oh, there s a whole lot more
