**Em**

You were so different

**G**

From every other person

**D**

That strolled into my life

And helped himself to anything

**Em**

I didnâ€™t listen to the

**G**

Things your eyes were saying

**D**

Mine they were blind

To the falling of the sky

**C**

Now donâ€™t you go thinking

**G**

That you got a piece of me

**C**

Iâ€™m opening my eyes

**D**

Itâ€™s time for all to see

**G**

**D**

Someday Iâ€™m gonna realize

**C**

That you were all wrong for me  
This bed won't seem so big

D

And my arms won't seem so free

G D  
Someday I'll be ready

C

For whatever comes my way

D

Someday but not today

Em Em G D

Em  
It was uncommon

G

The way you wrapped your finger

D

Around my aching heart  
And kept it from breaking

Em  
Ironically enough

G  
You became the cause

D

Of the shattering of everything  
That makes me who I am

C

Well baby I forgive you

G

For the sins you cast my way

C

My mind will erase you

D

And everything will change

G D  
Someday I'm gonna realize

C

That you were all wrong for me  
This bed won't seem so big

D

And my arms won't seem so free

G D  
Someday I'll be ready

C

For whatever comes my way

D

Someday but not today

Em Em G D x2

C

Donâ€™t you go thinking

G

That you got a piece of me

C

Iâ€™m opening my eyes

D

Itâ€™s time for all to see

G

D

You know, Iâ€™ve realized

C

That you were all wrong for me

This bed has gotten smaller

D

And my arms they are free

G

D

And Iâ€™m ready to embrace

C

Whatever comes my way

D

Em

Itâ€™s ok but not today

Em

No not today
