**Jessica Harper**

Penny in a Hat by Jessica Harper

As this song is not available on iTunes or for listening anywhere else on the Internet,

are the chords for the little 30 second sample I could listen to.

Any other verses follow a similar pattern and the same chords (if I remember correctly)

**D**

Put a penny in the old mans hat

**G**

Kiss your mamma's hand

**D**

Wipe the baby's tears away

**G**

Give what you can, Give what you can

**D**

Find someone who's feeling blue

**G**

Sing them a sweet refrain

**D**

Take you sister show her how to

**G**

Brighten rainy days
