Intro: **C D Bm C**

C **D** **Bm** **C**
I feel you even though we re apart and without you there s a hole in my heart

C **D**
Oh baby baby, though I tried I just cant adjust

Bm **C**
Oh boy what happened to us, happened to us, happened to us

C
We were in love we both felt the same

C
The good thing that we had boy was insane

C **D** **C**
We had a bond that would never break why we let it go oh

C
We used to stay up all night long kissing to our favorite songs

C **D** **C**
Just tell me where it all went wrong that s what I got to know oh

C **D** **Bm** **C**
Cuz I feel you even though we re apart and without you there s a hole in my heart

C **D**
Oh baby baby though I tried I just cant adjust

Bm
Oh boy what happened to us, happened to us

C **D** **Bm** **C**
Thought that I could get over you oh but baby that is so far from true

C **D**
Oh baby baby got something I want to discuss

Bm **C**
Oh boy what happened to us, happened to us, happened to us

C
I think that we oughta gotta work it out like air your love I cant live without

C **D** **C**
So have mercy don t leave me in doubt saying I love still burns, still burns,
still burns

C
I try to go my separate way, at first I thought it was okay

C **D**
I miss you more with each day, so to you I turn

C **D** **Bm** **C**
Cuz I feel you even though we re apart and without you there s a hole in my heart
