

**Even Angels Fall**  
**Jessica Riddle**

Jessica Riddle - Key of a minor - Even angels fall  
From 10 things i hate about you

I absolutly adore this song, but there is no where that has the chords!!  
So i decided to figure them out... they go well with the song and i hope  
everyone enjoys playing it as much as i do.

This is an emotional song which i love and this is my first tab hehe. enjoy.

intro - **F C G C**

Verse 1

**F C G C**  
You found hope, you found faith  
**F C G F**  
Found how fast she could take it away  
**F C G C**  
Found true love lost your heart  
**F C G F**  
Now you don't know who you are  
**F C G C**  
She made it easy made it free  
**F C G C**  
Made you hurt till you couldn't see  
**F C G C**  
Sometimes it stops some times it flows  
**F C G C**  
Baby that is how love goes

(Chorus)

**C G Am F**  
You will fly and you will crawl  
**C G Am F**  
God knows even angels fall  
**C G Am F**  
No such thing as you lost it all  
**C G F**  
God knows even angels fall

Verse 2

**F C G C**  
And it's a secret that no one tells  
**F C G C**  
One day it's heaven one day it's hell  
**F C G C**  
It's no fairy tale take it from me  
**F C G C**  
That's the way it's supposed to be

[Chorus]

**Dm C G Am Dm**

You laugh you cry no one knows why

**C G**

But oh - the thrill of it all

**Dm C G**

You re on the ride

**Am Dm C G**

You might as well open your eyes

[Chorus]

then repeat the last line and strum down on last chords
