

My mind fails to understand

C **Em**

What my heart tells me to do

C

And I'd give up all I have just to be with you

Em

And that would do

C

I've always been taught to win

Em

And I never thought I'd fail

C

Be at the mercy of a man,

I've never been

G

Now I only want to be right where you are

[Chorus]

D

Em

I wanna love you for - ever

C

G

And this is all I'm asking of you

D

Em

10,000 lifetimes to - gether

C

G

Is that so much for you to do

D

Cuz from the moment that I saw your face

Em

C

And felt the fire of your sweet embrace

G

I swear I knew

D

Em

I wanna love you forever

[Bridge]

C

G

In my life I've learned that heaven never waits

Bb

Let's take this now before it's gone

F

Like yesterday

Am

Cuz when I'm with you there's nowhere else

Em

That I would ever wanna be no

C

D

I'm breathing for the next second I can feel you. My baby...

[Chorus]

G

I'm gonna love

D **Em**
I wanna love you for - ever

C **G**
And this is all I m asking of you

D **Em**
10,000 lifetimes to - gether

C **G**
Is that so much for you to do

D
Cuz from the moment that I saw your face

Em **C**
And felt the fire in your sweet embrace

G
I swear I knew

D **Em** **G**
I m gonna love you forever. Forever...

D **Em**
I wanna love you for - ever

C **G**
Every day. Every day.

D **Em**
10,000 lifetimes to - gether
