Jessica Simpson - With You

The tab on this song is very complex and complicated. So I m just gonna do the chords. If you want to tab this song, please do because I can t!

\*\*CAPO 5\*\* CHORDS ALL RELATIVE TO CAPO

**Am**                    **C**                    **G**                    **F**  
The real me is a southern girl with her Levis on and an open heart  
**Am**                    **C**                    **G**                    **F**  
Wish I could save the world, like I was super girl  
**Am**                    **C**                    **G**                    **F**  
The real me is to laugh all night lying in the grass just talking about love  
**Am**                    **C**                    **G**                    **F**  
But lately I ve been jaded life got so complicated  
**F**                                    **C**  
I start thinking about it,  
**F**                                    **C**  
I almost forgot what it was like,  
to know what it feels like,  
With you

OK I KNOW THIS PART IS RIGHT::

**F**                                    **C**  
I can let my hair down  
                                  **G**  
I can say anything crazy  
                                  **Dm**                                    **F**  
I know you ll catch me right before I hit the ground  
                                  **C**  
With nothing but a T-shirt on  
                                  **G**  
I never felt so beautiful  
                                  **Dm**  
Baby as I do now

\*repeat verse pattern and chorus pattern through the rest of this song.\*

Now that I m with you  
With you (x3)  
Ha, Ha, ahh  
Now that I m with you

You speak and it s like a song  
And just like that all my walls come down  
It s like a private joke just meant for us to know

I relate to you naturally  
Everybody else just fades away  
Sometimes it s hard to breathe  
Just knowing you found me

Cause I start thinking about it,  
I almost forgot what it was like to know what love feels like,  
Cause with you  
I can let my hair down  
I can say anything crazy  
I know you ll catch me right before I hit the ground  
With nothing but a T-shirt on  
I never felt so beautiful  
Baby as I do now  
Now that I m with you  
With you (x3)  
Ha, Ha, ahhh

Come and take me  
Love you save me  
Like nobody else  
Now I can be myself

With you,  
I can let my hair down  
I can say anything crazy  
I know you ll catch me right before I hit the ground  
With nothing but a T-shirt on  
I never felt so beautiful  
Baby as I do now (Baby as I do now)  
Now that I m with you

now that I m with you  
I can let my hair down  
I can say anything crazy  
I know you ll catch me right before I hit the ground  
With nothing but a T-shirt on  
I never felt so beautiful  
Baby as I do now  
Now that I m with you

Please rate by the way I KNOW this is right because  
I ve taped her many acoustic performances of this song and studied it a lot!
