**A** **E**  
In the blink of a night  
**F#m** **D**  
I was falling from the sky  
**A** **E** **F#m** **D**  
In the blur, you took my breath away  
**A** **E**  
And my heart starts beating  
**F#m** **D**  
And my lungs start breathing  
**A** **E**  
And the voice in my head starts screaming  
**F#m** **D**  
I m alive!

**A** **E**  
You re like a laserlight, burning up  
**F#m** **D**  
Burning down, on me  
You re like a laserlight, burning up  
Burning down, on me

You make me feel good,  
You make me feel safe,  
You make me feel like I could live another day  
You make me feel good,  
You make me feel safe,  
You know I wouldn t have it any other way

(D-D-D-David G)  
(Je-Je-Je-Jessie J)

You and me, face to face  
And there s so much I could say  
On these words, and forever seem the silence  
Can you hear, that box bre-brea-breaking  
And the world starts sha-sha-shaking  
They keep talking, talking, talking  
But we re walking, walking, to the light

Tonight, tonight

You re like a laserlight, burning up  
Burning down, on me  
You re like a laserlight, burning up  
Burning down, on me

You make me feel good,  
You make me feel safe,  
You make me feel like I could live another day  
You make me feel good,  
You make me feel safe,  
You know I wouldn t have it any other way

Stop...please don t stop...I won t stop  
We won t stop...

In the blink of a night  
I was falling from the sky  
In the blur, you took my breath away
