

**Loud**  
**Jessie J**

Verse I

**F**  
Why don't I hate you?  
Why do they hate me?  
Why are their blocks set up to debate but only forsake me

**G**  
How am I doing, and why do you care  
When we fail comes the smile, when I went, I write, you just compare

**F**  
?So why, must've tried it on your love  
When I'm better than what I've been  
But that's not good enough

**G**  
Why, you can't hear my decency  
Instead of me singing of friends  
I'm talking over enemies  
The world is so...

*Chorus*

**F**  
Loud Loud, loud  
It's so loud, Loud, loud

**G**  
It's like you and me drop in the crowd  
They won't stop until they got them taken down

**F**  
And the world is so loud  
Loud, loud, it's so loud Loud, loud

**G**  
I tried to drown them all out in my sound  
But they won't stop, stop until they tear you down

**F**  
Until they tear me down

**G**  
Until they tear me down

Verse II

**F**  
We saw my destruction  
That's why I'm so reluctant  
When we have passed the ball  
But you're not on my team

**G**  
You wanna cast a stone  
We're so ready to fight  
Got the nerve to ask, how did I sleep? I heard you all through the night

**F**

Somebody tell me why, I know it s not just me  
Over a billion voices

**G**

Don t think, just speak  
You hate me when I m loud  
?You love me when I m down  
I m so confused by the world,

**F**

And the world is so loud  
Loud, loud, it s so loud Loud, loud  
*Chorus*

**G**

It s like you and me drop in the crowd  
They won t stop until they got them taken down

**F**

And the world is so loud  
Loud, loud, it s so loud Loud, loud

**G**

I tried to drown them all out in my sound  
But they won t stop, stop until they tear you down

**F**

Until they tear me down

**G**

Until they tear me down  
Bridge

**F**

On a go, I swear that

**G**

I could not hear a sound  
I couldn t hear a sound  
As a little girl

**F**

With a little fortune  
Hoping this is true

**G**

So tear me down  
And the world is so loud  
Loud, loud, it s so loud Loud, loud

**G**

It s like you and me drop in the crowd  
They won t stop until they got them taken down

**F**

And the world is so loud  
Loud, loud, it s so loud Loud, loud

**G**

I tried to drown them all out in my sound  
But they won t stop, stop until they tear you down

**F**

Until they tear me down

**G**
