**G** **Am**  
L.O. L.O. L.O. L.O.V.E. Love

**C** **G**  
I said I d never write a song about love

But when it feels this good  
**D**  
A song fits like a glove  
**Am** **C**  
When you hold me, and you tell me

**G**  
That you missed me, and call me milky

**D**  
Fuck it, imma write a song about love, yeea  
**G** **Am**  
You re my key, you unlock me

Keep me close, keep me safe, keep me happy  
**C** **G**  
So sweet, ooooooh loooooove

**G** **Am**  
It s destiny, so nothing stops me

I ll tell the world that you re mine, and you got me  
**C** **G**  
So sweet, ooooooh loooooove

**Am**  
I m in loooooove,

( I m in love )  
**Em**  
I m in looooooove,

(I m in love)  
**C**

**Am** **C**  
See love doesn t choose a boy, or a girl, nope

**G** **D**  
When I met you, you hugged my heart and filled my world  
**Am**

So you can stare

I don't care

**C**

You're the one that ain't going nowhere

**G**

**D**

So fuck it, imma be honest with you cause

**G**

**Am**

You're my key, you unlock me

Keep me close, keep me safe, keep me happy

**D**

Sometimes I'm stuck with what to say

**Am**

You hold my hands when I'm driving

**C**

You dry my tears if I'm crying

**G**

And we just laugh if we're fighting

**D**

I love you,
