Today I woke up feeling like the mayor
I spent about an hour looking in the mirror
As I should, as much as I ve been through
Is no wonder I look this damn good
I could probably make it out any situation
That you try to put me into
If I swim with the pirañas
Guarantee that I mma probably have a fish dinner
I met a young girl with a sexy shape
Like Jessie J we escapade
Where its extra shape
She make me wanna give in
Not take like collection plates
Woah
All the awards, bras, cars, wall to wall
Was all a mirage
And I could lose it all tonight
Just to show the world
I could do it twice
This my life

Rahs calla, double the dollar
I m a jet-settin bredda, more hits than a white collar
But I can t be boxed
Flow tight like Bob Marley s locks
I can t be dropped

I m at the peak and I can t be topped
I m wilding out, I ve lost the plot, I can t be stopped
Pull up in a gnarly Rari, barmy, what
Opposite of I can t believe
If I ll get the party hot
I can t be blocked
10 years plus running the game
You breddas just come in the game
But now I m coming again
To get the people going dumb and insane
100, 000 people going bonkers in the mud and the rain
Women on shoulders, tops off, shouting my name
I m all in their brain, why would I complain?
I thought I was the Boy in da Corner
But I m in a penthouse, nigga where is the water?
I m living
