**Boys In The Summer**
**Jessie James**

This is my first tab, I think it sounds pretty good. I can t believe the song
didn t make more of an impact on radio, I love playing it!
I might upload a cover on YouTube soon, let me know if you d watch it :)

Artist: Jessie James
Song: Boys In The Summer
Tuning: Capo 1

**G C** x2

**G                    C**
It s hot as hell, even in the shade
**G                        C**
Squeeze you a little bit of lemonade
**G            C              G      C**
Wearing next to nothing and we like it
**G                    C**
Coconut oil running down our backs
**G                        C**
Girls trying to give the guys a heart attack
**G      C      G      C**
Baby, there s no denying

**D**
The reason for July s
**C                G**
Skinny dipping and checking out tan lines
**D                          C**
Making out underneath the moonlight

            **G**
Oh, yeah, yeah
                    **Em              C**
Boys look so much hotter in the summer
        **G**
Yeah, yeah
                        **C**
Take your shirt off in the water pull me under
**G          D**
Oh, I must be dreaming
**G            C**
Oh, you got me singing
        **G**                        **C**

Yeah, yeah, yeah, yeah, yeah, yeah

```
G                        C
Stand the heat, and you re kissing on me
G                        C
Standing in line at the Dairy Queen
G                   C               G       C
You stick your hand in my back pocket
G
Driving down the road
C
Feet hanging out the window
G                    C
Fifteen miles, and you got no place to go
G        C        G         C
I don t care cause I like it

D
We re underneath the stars
C                    G
Laying here on the hood of your car
D                         C
Baby, I barely know who you are

                G
Oh, yeah, yeah
                       Em              C
Boys look so much hotter in the summer
        G
Yeah, yeah
                          C
Take your shirt off in the water pull me under
G              D
Oh, I must be dreaming
G              C
Oh, you got me singing
       G                        C
Yeah, yeah, yeah, yeah, yeah, yeah

Em           C
Summer only lasts so long
           G                    D
And there s nothing wrong with having some fun, yeah
Em           C
No need to apologize
    G                  D              G *strum once*
Just close your eyes, and kiss on me tonight
```

```
G                       C
It s hot as hell, even in the shade
G                           C
Squeeze you a little bit of lemonade
G               C                       G
Wearing next to nothing and we like it
C *strum once*
1, 2, 3

      G
Yeah, yeah
                        Em              C
Boys look so much hotter in the summer
        G
Yeah, yeah
                        C
Take your shirt off in the water pull me under
G           D
Oh, I must be dreaming
G           C
Oh, you got me singing
      G                       C
Yeah, yeah, yeah, yeah, yeah, yeah

        G
Oh, yeah, yeah
                      Em              C
Boys look so much hotter in the summer
        G
Yeah, yeah
                      C
Take your shirt off in the water pull me under
G           D
Oh, I must be dreaming
G             C
Oh, you got me singing
      G                     C *strum once
Yeah, yeah, yeah, yeah, yeah, yeah
