Say You Love Me
Jessie Ware

Intro: **G C9 G**

```
        G         C9      G
Say you love me to my face
   G/F#     Em7    C9          G
I need it more than your embrace
      C9      G        C9          G
Just say you want me, that s all it takes
 G/F#              Em7   C9         G
Heart s getting thorn from your mistakes

                        C           D
 Cause I don t wanna fall in love
                    Em7
If you don t wanna try
     D               C         D
But all that I ve been thinking of
                  Em7
Is maybe that you re mine
 D                 C          D      G G/F# Em7    D  C
Baby it looks as though we re running out of words to say
                        D
And love s floating away

     C9        G       C9         G
Just say you love me, just for today
     G/F#          Em7    C9                 G
And don t give me time  cause that s not the same
                                        G
Want to feel burning flames when you say my name
G/F#             Em7
Want to feel passion flow into my bones
     C9              G
Like blood through my veins

                     C           D
 Cause I don t wanna fall in love
                       Em7
If you don t wanna try
     D               C         D
But all that I ve been thinking of
                    Em7
Is maybe that you re mine
 D                 C          D      G G/F# Em7    D  C
Baby it looks as though we re running out of words to say
                        D
And love s floating away
```

```
              G  D  Em7  C9
Won t you stay?
              G  D  Em7  C9
Won t you stay?

   C            G
Slowly slowly you run for me
     C                    D
But do you know me at all?
 C                G                        C
Some one told me love controls everything
                    D
But only if you know!!

                    C            D
 Cause I don t wanna fall in love (no, no, no, no)
                 Em7
If you don t wanna try
      D                    C           D
But all that I ve been thinking of
                   Em7
Is maybe that you re mine (mine, mine)

                    C            D
 Cause I don t wanna fall in love
                 Em7
If you don t wanna try
      D                    C           D
But all that I ve been thinking of
                   Em7
Is maybe that you re mine
 D                 C              D        G  G/F#  Em7      D  C
Baby it looks as though we re running out of words to say
                    D
And love s floating away

            G  D  Em7  C9
Won t you stay?
            G  D  C9
Won t you stay?
```
