E B G#m F#

[Verse 1: Chris McClarney]

E B G#m F#
I have closed my eyes, I have clenched my fist
E B G#m F#
I have shut my heart, You have opened it
E B G#m F#
I have wandered far away, but You were already there
E B G#m F#
With open arms, with open arms

[Chorus: Chris McClarney & Kim Walker-Smith]

E B G#m F#
I will let love find me
E B G#m F#
I will let love surprise me
E B G#m F#
I will let love redesign me
E B G#m F#
I will let love, I will let love

[Verse 2: Kim Walker-Smith]

E B G#m F#
When the waters rise, when the levee breaks
E B G#m F#
When my world starts feeling like an earthquake
E B G#m F#
When Your love starts sinking in, I can see on the waves
E B G#m F#
Your open arms, Your open arms

[Chorus: Chris McClarney & Kim Walker-Smith]

E B G#m F#
I will let love find me
E B G#m F#
I will let love surprise me
E B G#m F#
I will let love redesign me
E B G#m F#
I will let love, I will let love
E B G#m F#

And, I will let love find me
E B G#m F#
I will let love surprise me
E B G#m F#
I will let love redesign me
