Let Love
Jesús Culture
[Intro]
E B G#m F#
E B G#m F#
[Verse 1: Chris McClarney]
              В
                           G#m
I have closed my eyes, I have clenched my fist
                            G#m
I have shut my heart, You have opened it
                 В
                                    G#m
                                           F#
I have wandered far away, but You were already there
           B G#m F#
With open arms, with open arms
[Chorus: Chris McClarney & Kim Walker-Smith]
                  B G#m F#
I will let love find me
                                  G#m F#
I will let love surprise me
                                  G#m F#
I will let love redesign me
             B G#m F#
I will let love, I will let love
[Verse 2: Kim Walker-Smith]
                           G#m F#
       Е В
When the waters rise, when the levee breaks
                          G#m
When my world starts feeling like an earthquake
                               G#m
                      В
When Your love starts sinking in, I can see on the waves
         E
                 G#m F#
Your open arms, Your open arms
[Chorus: Chris McClarney & Kim Walker-Smith]
           B G#m F#
I will let love find me
                                   G#m F#
I will let love surprise me
                                 G#m F#
I will let love redesign me
      E B G#m F#
```

B G#m F#

I will let love, I will let love

Ε

```
And, I will let love find me
                                    G#m F#
I will let love surprise me
                                     G#m F#
I will let love redesign me
                            G#m F#
And, I will let love, I will let love
[Interlude]
B F# G#m E
[Bridge: Chris McClarney & Kim Walker-Smith]
Oh, You won t stop, You ll never stop chasing
  F#
My heart won t stop ever proclaiming
    G#m
Your love for us, there s no containing
Your love won t stop, Your love won t stop, no
You won t stop, You ll never stop chasing
  F#
My heart won t stop ever proclaiming
Your love for us, there s no containing
Your love won t stop, Your love won t stop
              C#m
                         E
Your love won t stop, Your love won t stop
               C#m
Your love won t stop, Your love!
[Chorus: Chris McClarney & Kim Walker-Smith]
                        B G#m F#
And, I will let love find me
                                     G#m F#
I will let love surprise me
                                    G#m F#
I will let love redesign me
                   G#m F#
      E
              В
I will let love, I will let love
                B G#m F#
I will let love find me
                                     G#m F#
I will let love surprise me
                                    G#m F#
I will let love redesign me
             В
                      G#m F#
I will let love, I will let love
                        B G#m F#
           Е
```

And, I will let love find me G#m F# I will let love surprise me G#m F# I will let love redesign me B G#m F# And, I will let love, I will let love [Post-Chorus: Chris McClarney] E B G#m F# Oh, I will let love, I will let love E B G#m F# Oh, I will let love, I will let love E B G#m F# I will let love [Chorus- : Chris McClarney] B G#m F# I will let love find me G#m F# I will let love surprise me G#m F# I will let love redesign me

E B G#m F#
I will let love, I will let love
