Jesus Culture - Song of Solomon (Live from New York)
Heres a link to the song:

This song is from the new Live from New York album
Featuring Martin Smith, who actually leads this song.
This song is MOSTLY PIANO, so these are the corresponding
chords to the song, I like fingerpicking most of the song
when playing it only acoustic (Just mess around with it),
until it starts to build halfway through.

(Chorus 1 ~ soft, only piano and lead)

C **G**
Over the mountains
F **Am**
Over the sea
Am **G**
Here You come running
 F (**C**)
My Lover to me
