

**That Girls A Genius
Jet**

pretty sure its right but its my first tab so there may be some errors.

and the solo is substitute but I find it still sounds good.
I suggest listening to song for strumming particularly in the verse.

E G A x4

E **A** **E**
my girls ready to take control she just blows my mind

E **A** **E**
she only listens to the radio to see whose alive

yeah!

E G A

E **A** **E**
she waits up scan of getting on she don t feel no shame

E **A** **E**
